^a Turnover, salary trends, and salary action information was prepared from quarterly and year-end summary information received from the Comptroller of Public Accounts' Uniform Statewide Payroll/Personnel System (USPS), the Human Resource Information System (HRIS), and the Standardized Payroll/Personnel Reporting System (SPRS). Unless otherwise indicated, these data are reported for classified regular, full-time and part-time employees. Salary and benefit information was taken from the Uniform Statewide Accounting System of Texas.

Job Classifications^b

Agency Job Classifications

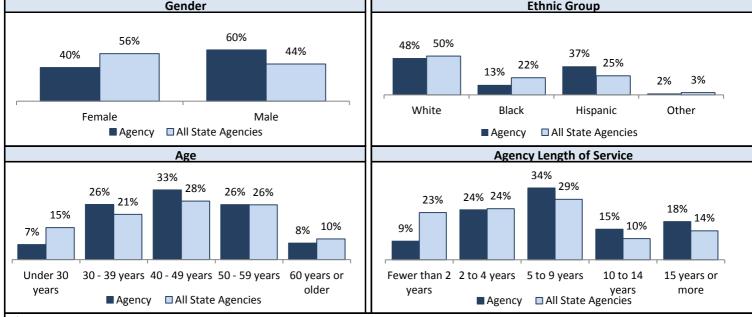

In fiscal year 2012, the majority (62.4 percent) of employees were classified in the following job titles: Agent (29.0 percent), Taxpayer Compliance Officer (16.5 percent), Auditor (9.6 percent), and Accounts Examiner (7.3 percent).

Classification Compliance Audits

During the past two years, the agency did not participate in any classification compliance audits.

Fiscal Year 2012 Workforce Demographics^b

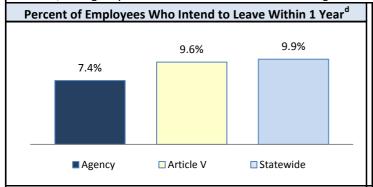

On average, employees at the agency were 45.0 years of age and had 9.1 years of agency length of service. Of the agency's employees, 66.8 percent were 40 years of age or older, and 32.8 percent had fewer than 5 years of agency length of service. The Employees Retirement System estimates that between fiscal years 2012 and 2015, 19.4 percent of the agency's workforce will be eligible to retire (based on fiscal year 2012 data).

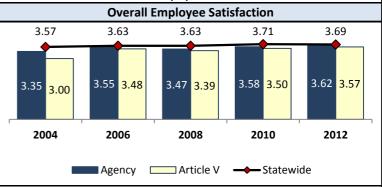

^b Job classification and demographic information was prepared from quarterly and year-end summary information received from the Comptroller of Public Accounts' Uniform Statewide Payroll/Personnel System (USPS), the Human Resource Information System (HRIS), and the Standardized Payroll/Personnel Reporting System (SPRS). Data includes classified regular, full-time and part-time employees. Demographic data may appear skewed for agencies with fewer than 50 employees.

Survey of Employee Engagement^c

The Survey of Employee Engagement, administered by The University of Texas at Austin, is an instrument that measures employees' job satisfaction and employees' perceptions of the effectiveness of the agency. Scores range from 1 to 5, with 5 being the highest. Overall, the agency's score is lower than the state average and has increased since the last survey cycle.

^c Information on the Survey of Employee Engagement was received from the Organizational Excellence Group at The University of Texas at Austin.
